

Dear Parents,

We are excited about an offer for our students and wanted to let you know about an upcoming field trip we are planning! Chorus Austin—a non-profit, community-based choir that frequently performs with the Austin Symphony—has offered all of our choir students free tickets to attend their concerts! Additionally, the buses will be free too, paid by Chorus Austin.

The first concert is coming up next Saturday, October 13th and will feature some amazing choral music by Mozart, Handel, Haydn and Brahms. We'd love for all the choir students to attend! Please consider joining us as a chaperone for the concert! It's free for PARENTS/GUARDIANS, too!
